ON WEDNESDAY APRIL 10 1850

JOHN WYNDHAM, Esq. M.P.

THOMAS CHARTERIS, Esq. M.P.

THE LORD OF THE TREASURY

JOHN A. G. G. Esq.

JOHN W. G. Esq.

ADVERTISEMENT,

THE Editor has used his utmost Diligence to render the following Poll as accurate as possible by comparing it with the original Poll Books. Two Circumstances occur to render it impossible that such a Publication should not have numerous Mistakes. Several Towns in this County are *called* by the same Name; some that are *spelt* very differently; and some that are very distant from each other. Another Circumstance, which ought to be excused, is with regard to the *spelling* of the Freeholder's Names; because the Clerks at taking the Poll must frequently be guided by the *Sound* only of such Names, as they are Strangers to. It was his Wish that it should not have exceeded One Shilling; but having only proportioned the Price to the Trouble and Expence, he hopes no reasonable Objection can be made to it. He takes this Opportunity of expressing his grateful Acknowledgments to the Public for the Favours he has received; and will ever be assiduous to merit their Encouragement.
